Protecting your personal information

As always, we like to remind members to please continue to practice caution when opening emails or text messages that have links, underlying messages or ask for personal information.

Top three rules to live by:

1. Be wary of unknown authors, URLs and attachments which could contain a computer virus or capture your personal information.
2. Do not click on emails that look suspicious.
3. When in doubt, just delete!

In this digital age, it can become a chore remembering usernames and passwords or knowing

what emails to trust. We understand the struggle, but we also take online security very seriously. That's why we like to remind you of the importance of protecting your personal information. Visit u1cu.org/OnlineSecurity for fraud alerts or tips and best practices on scams.

In the Community

U1's Annual School Supply Drive concluded and our Universal Experience Service Team delivered school supplies to three local facilities to assist them in helping students that were in need of supplies for the new school year. Those three facilities were: the [Salvation Army in Sidney](#), [Crayons to Classrooms](#) in Dayton and the [Ross County Coalition for Domestic Violence](#) in Chillicothe. We'd like to thank everyone who donated and wish students, teachers & staff success this year!

We helped sponsor and supported the **Vandalia-Butler Chamber of Commerce Cruise-In** this year. A great turn-out and no shortage of classic cars!
