***Thank you for requesting the U1 VISA® Debit EMV Card!***

Dear Valued Member,

Your new card can be used at merchants that accept VISA Debit Cards, as well as at virtually all ATMs through the Accel network and financial institutions around the world that display the VISA symbol.

To receive your VISA Debit EMV card that works like a check, only better, simply complete the VISA Debit Card Request and either fax to 937.225.8400, drop it off at your U1 Division Office, or mail to Universal 1 Credit Union, Inc., PO Box 467, Dayton OH 45409. You will receive your debit card by mail approximately 5-7 business days after your request is received.

When you call to activate your debit card, you will select your own PIN (Personal Identification Number). You can also use this number to change your PIN at any time.

U1 cares about the security of your account when making internet purchases. Merchants that participate in Verified by Visa will prompt you to create your own personal password.
