

Universal 1 Members Will “Shop for Miracles” Oct. 20 in Support of Dayton Children’s Hospital

Credit Unions for Kids Campaign Benefits Local Kids Treated at Children's Miracle Network Hospitals®

Dayton, OH [Oct 12, 2016] — Today Universal 1 Credit Union announced its participation in Shop for Miracles, a one-day Credit Unions for Kids program raising funds for Dayton Children’s Hospital, the local Children's Miracle Network Hospital.

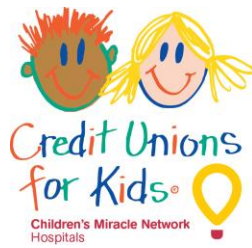

On Thursday, Oct. 20, U1 will donate \$0.25 per debit/credit cardholder (up to \$750.00) to Dayton Children's. Like all Children’s Miracle Network Hospitals donations, funds raised locally will stay in the community to support the hospital’s greatest needs, which include life-saving research, treatments, equipment, and charitable care. The funds raised help sick children and their parents navigate through stormy days.

U1 has regularly supported fundraising for Credit Unions for Kids with staff serving on the volunteer steering committee and participating in fundraising events. U1’s community involvement exists to strengthen and provide a positive impact throughout the Miami Valley.

About Credit Unions for Kids

Credit Unions for Kids, in cooperation with local credit unions, has worked diligently with Children's Miracle Network Hospitals to make hard times easier for sick children and their parents since 1996. In that time, over \$140 million has been raised. The much-needed funds come from collaboration with local credit union chapters, industry leagues/associations, and their business partners to contribute to the health of children in the 156 CMN Hospitals throughout the U.S. Fundraising takes many shapes, such as golf tournaments, 5K walks/runs, wine auctions, online giving, and the sale of paper balloon Making Miracles icons. In 2014, over 3000 credit unions raised almost \$11 million for the kids. CU4Kids ranks third among CMN Hospitals corporate partners in terms of generosity. Contributions fund new facilities, groundbreaking treatments, and vital research as well as special patient needs. Children's Miracle Network Hospitals benefit more than 10 million children each year.
