# Achieve BALANCE

Ready to take the next step towards financial success? Through our partnership with BALANCE, you can access these powerful, free financial counseling services:

## Financial Coach Hotline

Certified credit counselors are available to answer questions about personal finances.

## Money Management Counseling

Need help achieving your financial goals? A counselor can set you on a path for debt relief, and help you make a spending and savings plan that actually works.

## Credit Report Review

Let a professional help you make sense of your credit report. You'll get the guidance and advice you need to build your credit, and secure your future.

## Home Purchase Education

Whether it's saving for a down payment, applying for a mortgage or preparing for a closing, you can learn all aspects of the home-buying process.

## Foreclosure Prevention Counseling

If you're struggling to make your mortgage payments, help is available. Call BALANCE to discuss how you can avoid foreclosure.

## Identity Theft Solutions

Worried about identity theft? Have you already been a victim? Learn the right steps to keep you safe, and help you recover.

## Debt Repayment Options

Breathe a little easier when you explore your options for debt relief, including a structured repayment plan.
